

REPUBLIC OF KENYA

MINISTRY OF EDUCATION

ANNOUNCEMENT

**THE GWANGJU INSTITUTE OF SCIENCE AND TECHNOLOGY
SCHOLARSHIP 2022**

Gwanju Institute of science and technology (GIST) was established in 1993 in Gwangju, South Korea as a **research oriented university** focused on **science and technology**. It provides all international undergraduate students with scholarships without additional and application process. **Tuition fees are fully waived for 8 semesters**, and there are **monthly allowances, settlement subsidiary and flight reimbursement**.

Admission decisions are made on an overall evaluation, based on combination of the submitted application and supporting documents assessing the applicant's **academic ability and potential, communication skills, personal accomplishments and extra – curricular activities**.

All GIST classes are provided in English.

ADMISSION GUIDE

The time period for admission is from mid December 2021 to early February 2022.

Announcement of successful applicants is late April.

Enrolment is in early July.

Academic year start date is late August or early September.

All eligible candidates are encouraged to apply.

Please note that the deadline for application is by **February 2022** and that applications will be done online through the website <http://www.gist.ac.kr/iadm/>
